Dear Parent,

Text Books – 2017/2018

Greetings from SSLSD!

The policy of the school on School Textbooks emphasizes every child should have the required text books in the classroom. We are aware that in the absence of textbooks the children would not be able to utilize their utmost potential in learning.

This year we have introduced several options to obtain textbooks of their preference to facilitate parents. Yet the survey on availability of books among children shows that a substantial number do not have the required textbooks.

Therefore you are kindly advised to pay immediate attention to the following to ensure availability of textbooks to your children:

1. Those who have placed order through school should collect their books from the office ASAP. The remaining books are now available for your purchase.
2. **Sarasavi** Bookshop (www.sarasavi.lk) has informed us that the Year 7 & Year 8 Mathematics and other books are available. These books can be ordered online.
3. Books for Lower & Upper reception are only available at **Sarasavi** and could be purchased online.
4. Books can also be ordered through **Iqra Trading Company, Doha** (Phone: Ms Mariyaseel – 44514092) by booking in advance in person. (Turnaround time will be 3 to 4 weeks.)
5. Availability of Year 9 books which are not yet published will be informed in due course. The old books can be used under the guidance of the teachers.
6. If you have any difficulties in purchasing the text books please feel free to talk to the Vice Principal.

We seek your fullest cooperation to ensure that your child is in access to all the prescribed books.

Thanking you,
Yours sincerely,

Principal
