SSLSD New Admissions – Academic Year 2026/2027

Dear Parents,

A limited number of vacant seats are available in selected grades for the 2026/2027 academic year.

Important Information:

- Admissions are available only for selected grades.
- Most grades have fewer than **5 vacant seats** available.
- Admission assessments will be conducted for all applicants.
- Applicants will be ranked based on their assessment results.
- A waiting list will be maintained for each grade in rank order.
- The school's operational model and approved student capacity for 2026/2027 are still being finalized. The number of students admitted to each grade will be determined once these decisions are confirmed.
- Admission offers will be made strictly according to rank order and seat availability as per the school's approved admission policy.

Please Note:

- Parents are strongly advised *not to rely solely on SSLSD* for their child's admission and should continue exploring alternative schooling options.
- Submission of an application, participation in the assessment, or placement on a waiting list *does not guarantee admission*.
